

Dear Valued Clients:

In light of the Shelter-in-Place Order for the KC Metro Area, please know that Sypher Law remains open and is still here for you, as always. We can and will continue to represent you in your case, but me and my staff will be working remotely.

Following the CDC and local health department guidelines, effective Monday, March 23, 2020 at 2 pm, we temporarily closed our 2 office locations to visitors and allow employees to work from home until further notice. The most efficient way to contact us is either by email or dialing our direct lines. If you are not sure who to contact, feel free to contact anyone in the office and we will route your message or call accordingly. You may also call the main line at 913-451-8833 and follow the prompts.

Rest assured, the Bankruptcy Courts are still open, and we are still filing bankruptcy cases and representing you in your current case. Please contact me directly with any questions or concerns you have about how this change affects your specific case.

Please be assured that Sypher Law is taking this situation very seriously, and we have implemented several steps to ensure uninterrupted service while protecting the health of our employees, such as client phone or video appointments, electronic signature software and using other technology to keep the office running smoothly.

We will be here when you need us most, and you can continue to count on us to provide the high level of service you've come to expect.

Wishing you and your families health and safety,

Sarah A. Sypher
Attorney at Law
